Regarding the casting of the rest of the characters:

Over the break I will be working on my final cutting and editing of the script. In order to avoid casting someone in a role that then ends up on the cutting room floor I am going to cast an ensemble and finalize the specifics when we return and begin rehearsals. If I have figured it all out before we resume classes, I will have Rachel share the final casting when she shares the final edited script.

Ensemble:

David Roberts
Javen Buchanan
Makale Buckman
Newt Sweeney
Silas Bright
Nate Sidow
Colette Curry

The following characters (as of right now) before final edits that will be covered by the ensemble:

Elbow, Provost, a Justice, Tomas and Peter (two friars), Abhorsen, Bernardine, Francisca (a nun), Mistress Overdone, (Lords, citizens, boy, and attendants)
